Infant Mental Health Endorsement® Questions?

Please join us if you have questions about:

- How to start Infant Mental Health Endorsement®
- or
- For those that have already registered, specific questions regarding how to move through the application process
- or
- For those who have not made progress in quite some time and need to reconnect

Beginning of each call there will be a Q & A, then we will move into overview of the IMH Endorsement® process for those interested. Attendance for the full session is not required.
