RE: 2026 NMAIMH Annual Association Fee

NMAIMH Annual Association Fee

The NMAIMH is introducing a new Annual Association Fee. The 2026 Annual Association Fee will cover from January 1, 2026-December 31, 2026.

This fee will be a flat rate of **\$75** per year and will include Membership and Endorsement costs, with the exceptions of the additional fees reflected in the following table:

Endorsed Reflective Supervisor Add-On, <i>one-time fee</i>	\$100
Infant Mental Health Specialist-III Portfolio Submission Fee	\$225
Infant Mental Health Mentor-IV Portfolio Submission Fee, <i>includes the Alliance exam fee</i>	\$375
Portfolio Continuation Fee, <i>if Endorsement portfolio is not completed within 12 months (waived if Annual Association fee is current)</i>	\$75
Reinstatement Fee, <i>if the Endorsed professional is removed from Registry</i>	\$100

The window to pay the 2026 Annual Association Fee is between October 1, 2025-December 31, 2025 via EASy. **Individuals who do not pay the Annual Association Fee by 12/31/25 will not be eligible for Member benefits until payment is received.**

These changes are intended to create a clear fee structure, to be responsive to the three-year cycle of Endorsement, and to support the increase in organizational expenses to help grow the profession.
